

# The Travelhome Macquarie 29 Range

Australia's leading fifth wheel manufacturer has just released an exciting new model of its Travelhome. The popular Macquarie 25 footer now has a big brother in the new larger Macquarie 29. Incorporating all the features that have made the Macquarie 25 an Australian favourite but with even more standard features and options, the Macquarie 29 is just what you would expect from such a well respected RV manufacturer.

You only have to look at a Travelhome to know that it is in a class all of its own. From its streamlined shape and aerodynamic nose through to its bright and open interior, you can tell that every detail has been carefully thought out, and the original style and comfort has been further refined over the years to complete this unique fifth wheeler.

Designed with families in mind, this new model offers 4 permanent beds (two single bunks as well as two singles up in the nose which can convert to a double). Additionally, the spacious rear dinette also converts into another double bed. Now the whole family can enjoy the Travelhome experience in a 5th Wheeler which sleeps up to 6 people.

## DOUBLE BUNK BED FLOORPLAN

Other benefits include: Towable with smaller style family vehicles such as the Nissan Navara and Holden Colorado, double bunk side windows, and extra double wardrobe and drawers. This model is also available in a single bunk floorplan which offers even more storage under the top bunk bed.

As with the entire Macquarie 29 range, our modular system allows us to incorporate your input into the design of your Fifth Wheeler. So contact one of our friendly staff today. There has never been a better time to enjoy the Travelhome lifestyle.
