The Travelhome Macquarie 29 Range

Australia's leading fifth wheel manufacturer has just released an exciting new model of its Travelhome. The popular Macquarie 25 footer now has a big brother in the new larger Macquarie 29. Incorporating all the features that have made the Macquarie 25 an Australian favourite but with even more standard features and options, the Macquarie 29 is just what you would expect from such a well respected RV manufacturer.

You only have to look at a Travelhome to know that it is in a class all of its own. From its streamlined shape and aerodynamic nose through to its bright and open interior, you can tell that every detail has been carefully thought out, and the original style and comfort has been further refined over the years to complete this unique fifth wheeler.

If you are looking for a modern RV floorplan with some extra kitchen bench space, extra storage space and an office desk then this Travelhome 29 layout may suit. By moving the RHS bench from directly opposite the standard 29ft office location along to directly opposite the kitchen you gain a large double sided kitchen. This floorplan also moves the bathroom and

EXTRA KITCHEN BENCH FLOORPLAN

separate vanity unit toward the front near the bedroom away from the main entry door. The two door fridge freezer is hinged opposite to normal so access from the kitchen is simple and buyers can also choose between an overhead roller shutter cupboard or a pelmet above the extra kitchen bench. You can also ask for the office desk to be located near the main entry door or near the bedroom.

As with the entire Macquarie 29 range, our modular system allows us to incorporate your input into the design of your Fifth Wheeler. So contact one of our friendly staff today. There has never been a better time to enjoy the Travelhome lifestyle.

The Macquarie 29 offers everything you require for full-time living
