

Travelhome

The Travelhome Macquarie 29 Range

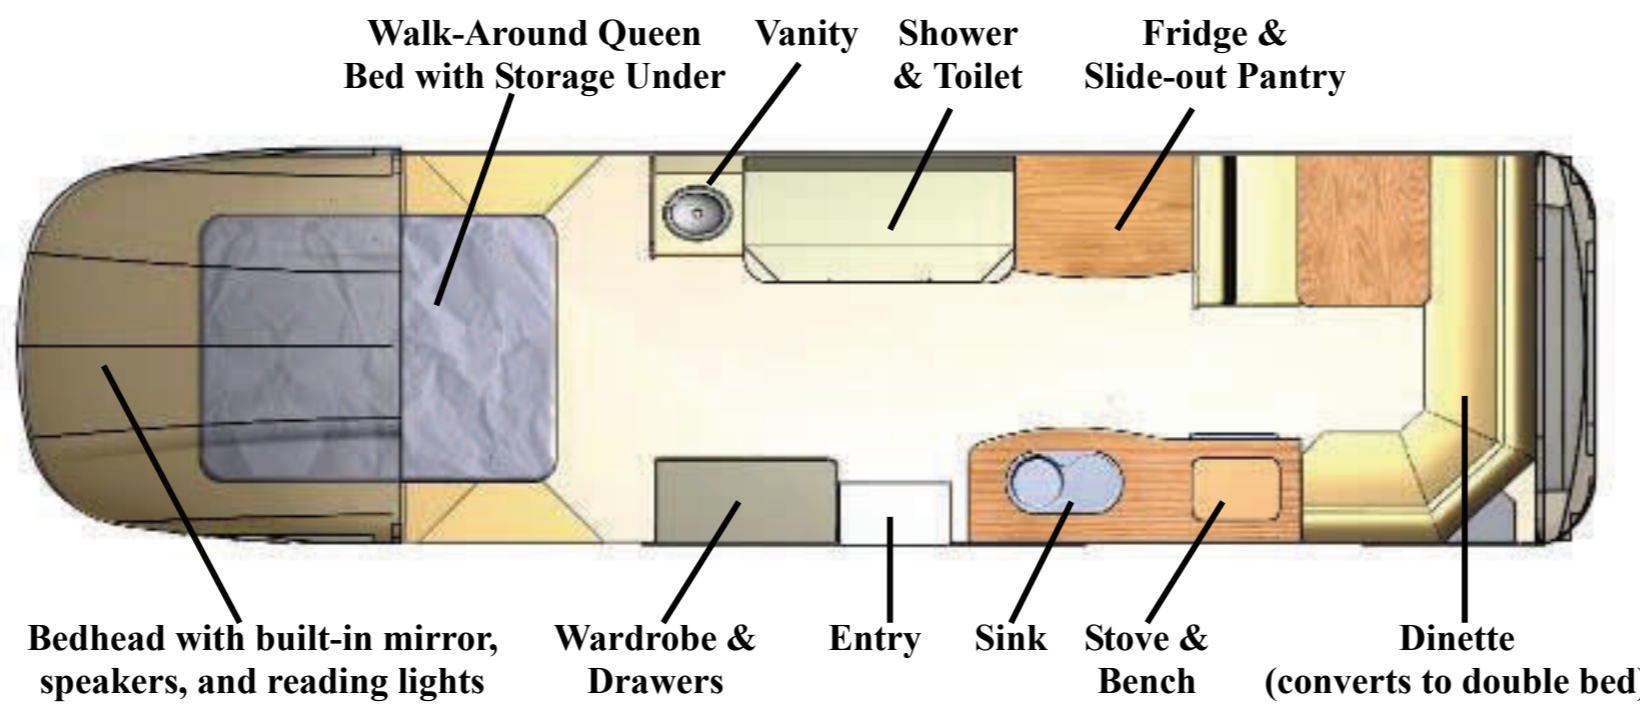

Australia's leading fifth wheel manufacturer has just released an exciting new model of its Travelhome. The popular Macquarie 25 footer now has a big brother in the new larger Macquarie 29. Incorporating all the features that have made the Macquarie 25 an Australian favourite but with even more standard features and options, the Macquarie 29 is just what you would expect from such a well respected RV manufacturer.

You only have to look at a Travelhome to know that it is in a class all of its own. From its streamlined shape and aerodynamic nose through to its bright and open interior, you can tell that every detail has been carefully thought out, and the original style and comfort has been further refined over the years to complete this unique fifth wheeler.

Designed to offer easy access to all sides of the queen sized island bed, this floorplan is ideal for those who may be less agile or who desire absolute luxury. The bedroom is spacious and open, and features large side windows and an extra overhead skylight hatch. Other benefits include extra storage space under the bed, an attractive designer bedhead with built-in mirror, speakers, and adjustable reading lights, a chest at the foot of the bed, and the head of the bed can even be raised electrically to watch TV or read.

WALK-AROUND BED FLOORPLAN

Although filled with features such as those already mentioned as standard, options available include a front-load washing machine, recliner chairs in place of the rear dinette, solar panels, and generator. This truly is a luxuriously appointed 5th Wheeler, and is one of the best your money can buy.

As with the entire Macquarie 29 range, our modular system allows us to incorporate your input into the design of your Fifth Wheeler. So contact one of our friendly staff today. There has never been a better time to enjoy the Travelhome lifestyle.
